## 2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2025-26 School Description and Mission Statement

Kaseberg Elementary School opened in 1957 and is located in the Roseville City School District in the City of Roseville. It is one of 21 schools in the District. The school serves approximately 300 students in Transitional Kindergarten through fifth grade, as well as three Autism Special Day Classes for Kindergarten through Second Grade. Kaseberg has 10.6% English Language Learners and 58% Socioeconomically Disadvantaged students.

During the 2024-2025 school year, Kaseberg received a Platinum Award from the California Positive Behavior Interventions and Supports (PBIS) Coalition for our work in creating a safe and structured, positive school environment and providing strong interventions for students and families that need extra support. Additionally, in 2024, the school was recognized as a National Blue Ribbon School in the area of Closing the Achievement Gap.

Kaseberg also has strong ties to the community, participating annually with local organizations to donate to and support local causes. Some of these organizations that Kaseberg has ties with are the Foodbank of Roseville, California Emergency Foodlink, Kids Can Food Drive, the Leukemia & Lymphoma Society Pennies for Patients Drive, CalFresh, KidsFirst, Boys and Girls Club of Roseville, Life Community Church, Destiny Community Services, and the Woodcreek High School National Honors Society. These community partnerships are crucial in addressing the diverse and demanding needs of families in the Kaseberg community.

Kaseberg offers classes that fit the needs of a diverse student population through MTSS (Multi-Tiered Systems of Support) by having a strong PLC (Professional Learning Community) that provides strong academic supports through strong programs such as our Response to Intervention (RtI) program, which provides support to students when they struggle in the academic content. Part of our MTSS (Multi-Tiered Systems of Support), Kaseberg also offers after-school music enrichment and other student-centered leadership activities through our Student Council. Student Council provides students with opportunities to contribute to the positive culture of the school.

Kaseberg School's academic and socioeconomic diversity creates unique needs and challenges. The committed staff strives to meet individual needs, enabling students to reach their fullest academic and social potential and become productive citizens.

## 2025-26 School Description and Mission Statement

Every staff member is considered a valued member of a team and works closely in the spirit of dedication, enthusiasm, and collaboration by:

- Helping students feel accepted and secure
- Clarifying, enriching, and providing models for success
- Encouraging students to think, work hard, and develop confidence and responsibility
- Seeking ways to develop professionally and provide optimum services to students

## **A. Conditions of Learning** **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Roseville City Elementary held a public hearing on September 25, 2025, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

## School Facility Conditions and Planned Improvements

### General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

### Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground backboards, replaces bark on playgrounds and landscaping, and services HVAC units.

### School Facility Repair Status:

Overall Summary of School Facilities Repair Status – Exemplary

## School Facility Conditions and Planned Improvements

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas this school passed inspection.

### Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Since 2008- 2009 the State has suspended the program due to State Budget Reductions. The District still maintains its own program.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

<b>Mathematics</b> (grades 3-8 and 11)	52	57	49	51	35	37

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

Parents and anyone involved in the care of the child play a critical role at Kaseberg School through serving and participating as active members of the School Site Council, Parent-Teacher Club (PTC), library volunteers, Art Docents, district task force volunteers, District English Language Advisory Team member, and as volunteers in classrooms. Kaseberg is very grateful to the many parents who have and continue to serve on our Kaseberg Parent-Teacher Club (PTC). Through our very active PTC, students are provided opportunities for enrichment in their school program. PTC supports a variety of programs through volunteer work and fundraising. All families are encouraged to join and become active members of the Kaseberg School Parent-Teacher Club. Please visit our PTC's website to stay informed with school events and activities at:

<http://kasebergptc.com/> and on Facebook at: <https://www.facebook.com/groups/kasebergptc/>

## 2025-26 School Safety Plan

Evacuation and lockdown drills are practiced monthly at Kaseberg Elementary School. Staff and students are updated on safety practices during monthly reviews at staff meetings. The School Safety Committee meets yearly to review school safety items and develop the Comprehensive School Safety Plan (CSSP). The Kaseberg Elementary Safety Plan was last reviewed and approved by our School Site Council on January 18th, 2025, and will be submitted for final approval by the board in February 2026. Along with our dedicated crossing guard, our staff assists with parking lot duty, after-school duty, and recess duty. The Roseville City School District has developed a Crisis Response Plan that outlines procedures to be followed in the event of an emergency. The plan outlines procedures for coordinating resources to respond to various emergencies, including natural disasters, environmental health issues, accidents, and intruders. School staff members have been assigned roles and are trained to work efficiently with each other and with public service officers to ensure the safety of students and staff. This plan is reviewed annually by the Kaseberg School Site Council. The next annual review by our Safety Committee and our current School Site Council will be in January 2026.

## Fiscal Year 2024-25 Types of Services Funded

The district funds a full-time School Counselor, a full-time Intervention Teacher, and a part-time Community Liaison at Kaseberg Elementary School. This year, the district is also funding a full-time Teacher on Special Assignment to support our site-wide MTSS model. The School Counselor provides additional services to students, which help promote social, academic, and emotional learning and safety for all Kaseberg students. The Intervention Teacher coordinates, monitors, organizes, and deploys support for students who require additional academic assistance to succeed academically. The Community Liaison works closely with staff, students, and parents to help ensure productive engagement of families and the success of students at Kaseberg School. The Teacher on Special Assignment supports PBIS Tiers of Support, Math Instructional best practices in our TK-5th classrooms, and an afterschool math intervention program.

## Professional Development

In alignment with the Roseville City School District's board goals, the Professional Development Advisory Committee (PDAC) developed a comprehensive three-year professional development plan for the District. Staff participate in four districtwide professional development days that include both district and site-based sessions focused on advancing site goals within the district's overall priorities.

Other areas of professional development provided to Kaseberg staff include:

- in-class coaching, guided reflection on instruction, teacher observations with feedback
- Effective implementation of site-based Professional Learning Communities
- Professional Development on Restorative Practices
- Professional Development on Writing within the adopted curriculum.

This table displays the number of school days dedicated to staff development and continuous improvement.
